

3M™ Digital Library Assistant

Actively manage your library collection

As a component of the 3M™ RFID System, this cordless, hand-held device instantly reads 3M™ RFID Tags on library materials, turning shelf-reading, shelving, sorting, searching, weeding and exception-finding into routine tasks. Compact and easy to use, the Digital Library Assistant can hold information on more than one million items. The ergonomic design and swivel antenna maximise comfort and minimise stooping. No more bending or stretching to read high or low shelves.

And because it simultaneously performs shelf-reading, searching and inventory scans, it can save time, increase productivity and discover errors that might otherwise go unnoticed. The device can also quickly identify items that were not properly checked out, and it instantly detects the security status of materials. Start actively managing your library collection today with the state-of-the-art Digital Library Assistant from 3M.

Multi-functional

- Ideal for shelf-reading, re-shelving, searching, weeding and exception-finding
- Simultaneously performs shelf-reading, searching and inventory scans
- Increases productivity and creates a more orderly library

Ergonomic, Hand-held Design

- Comfortable
- Cordless
- Compact
- Lightweight

Easy To Use

- Swivel antenna works at any angle
- Makes shelf-reading easy at high and low levels

High Storage Capacity

- Holds information for more than one million items
- Stores information effectively and easily

Enhanced Security

- Instantly detects materials that cause an alarm
- Identifies items not properly checked out or in
- Corrects mistakes quickly and easily

Dimensions

- **Handheld unit**
24cm x 18cm x 10cm
(9.5" x 7" x 4")
- **Antenna portion**
24cm x 10cm x 1.25cm
(9.5" x 4" x 0.5")

Energy Profile

- Handheld unit: 7.4 volt rechargeable battery
- Battery life: 4 hours read time between recharges—typically 6-8 hours of use (dependent on application)

Weight (Approximate)

- **Handheld unit**
700g (25oz)
(includes battery)
- **Shipping container weight**
5Kg (11lbs)
